

[PayPal Information & Details for Making a Payment](#)

In response to many requests from our members for an option to pay their annual membership fee using an on-line e-payment service, on November 21st, 2018, SSPO introduced the [PayPal](#) option for annual membership renewals.

[PayPal](#) is a global e-commerce business allowing payments and money transfers to be made through the Internet. Online money transfers serve as electronic alternatives to paying with traditional paper methods, such as cheques and money orders. **PayPal does not share your financial details with sellers (ie. SSPO), so you can shop with peace of mind and, Purchase Protection. With PayPal, you will have 2 payment options:**

[PayPal](#) provides you with the flexibility to pay directly from your linked bank account, with Visa Debit, or, Pay with a credit card. You do not need to have a PayPal account to use this service, but if you prefer, you may use an existing PayPal account or create a new one.

PLEASE NOTE: *A small service fee is charged to SSPO by PayPal for each transaction. There are no fees charged by PayPal to the Purchaser (SSPO Member). To offset this expense to SSPO, the Board has decided to pass along the \$1.00 cost of the transaction to the member. Therefore, you will be billed \$20 plus a 1.00 transaction fee. For a total of \$21.00 CDN. To facilitate this transaction the 2025 Membership Fee will be displayed as \$21.00 on the PayPal site.*
